BROWNS TAKE BOTH

St. Louis, September 25.—The Browns took both games of to-day's double-header.

FOOTBALL PRACTICE ON MANY GRIDIRONS

Coaches Spring Surprise

Princeton, N. J., September 25.—The Tigers held scrimmage practice on a wet field to-day, the varsity scoring twice against the scrubs. Long rushes and forward passes beautifully executed accounted for the first team's tallies.

The Tiger coaches sprang a surprise to-day by playing Dunlap at right tackle in stead of at one of the ends, as was expected. And, as expected, Dunlap was supplanted by Wight when the latter gets into play, but it is likely that Andrews will stick at right end, where he has been playing a sensational game. In to-day's scrimmage he made a beautiful catch of a forward pass from Baker, which resulted in a touchdown.

DeWitt's back at full back to-day. His plunging attack against the scrubs was not any too strong, but he looks to be in condition to play a very strong game this fall. Baker again carried the leather for long runs. Forty yards resulted once from dodging directly through the scrumline. The line-up: Waller, left guard; Blunt, center; Shenk, left guard; Dunlap, right tackle; Andrews, right end; Emmons, quarterback; Pendleton, left half back; Baker, right half back; DeWitt, full back.

Snap Practice at Lafayette

Easton, Pa., September 25.—The Lafayette squad went through a stiff and very satisfactory practice this afternoon on Marsh Field. Coach McCas gave the backfield practice in tackling the dummy for the first time this season, and Captain Benson directed the linemen in charging the blocking machine. After this work a varsity and scrub team were sent against each other for an hour's stiff scrimmage, in which the first team made two touchdowns. Captain Benson made the first one after recovering one of Heber's punts. The second one was made on line plunges by the varsity backfield, which was composed of Kelly, Gross, Fehr and Landis. The latter has been playing splendid football, making several good runs in each scrimmage.

First Scrimmage

Swarthmore, Pa., September 25.—The garnet players had their first real taste of football to-day when the varsity and scrub teams engaged in a five-minute battle. Captain Greg donned his football togs for the first time this season and celebrated his return by scoring two touchdowns. The first team, scored five touchdowns without any trouble. Greg and McKissick being large ground runners. The forward pass was worked to perfection, the scrubs not being able to break it up. The latter team was given the ball on their opponents' twenty-yard line, but lost the ball immediately.

Joel Melick sustained a twisted ankle in the last minute of play, and it is feared he will be out of the game for quite a while. This might prove to be the second serious injury in the garnet camp, as Durborow, who fractured a bone last week, will be out of the game entirely. Coach Brooke announced a practice game with Villanova this coming Saturday at Swarthmore.

Big Girls' Hoops

State College, Pa., September 25.—The Penn State squad went through their workout this afternoon in a driving rain. The field was very heavy, which prevented any fast work.

Dummy tackling for the whole outfit was the first thing on the program. This was followed by a long drill in running down under punts. In this both the backfield and end candidates were given a good workout. Captain Maubie, Miller, Johnson and Brown handled the

with the White Sox, 5 to 3 and 12 to 8. Baumgardner said the Sox to seven blows in the opener and received splendid support. Doc White allowed twelve safeties, and four of them, bunched in the seventh, resulted in three runs and the game. The second affair was a joke. Wellman, a recruit, holding the visitors to one hit in the seven innings of play, while the Sox twirlers were batted all over the lot. Darkness stopped the pastime. Scores:

BECKER GOES TO SAN FRANCISCO

Portsmouth Player Wanted in West—Class AA Leagues Get Many Men.

Auburn, N. Y., September 25.—Secretary John H. Farrell, of the National Association of Professional Baseball Leagues, yesterday gave out a list of the men selected by draft in the opening day of the five days allowed teams in class AA, to draft players. The list follows:

By San Francisco: Cadreaw from Spokane; Sepulveda from Vancouver; Stanridge from Calgary; Hughes from Ottumwa. By Oakland—Newman from Houston, disallowed; Brautigan from Appleton, disallowed; Becker from Portsmouth, Va.

Split Squads

Cambridge, Mass., September 25.—Percy Haughton went over Harvard's football material today with a fine tooth comb and separated his squad into that from which the varsity will be picked and the scrub team, against which the first-string men will work out.

Dickinson Practices in Rain

Carlisle, Pa., September 25.—Dickinson's football candidates had the advantage of an afternoon's training during a rain to-day on Biddle Field. Some attention was shown to running down punts in order to accustom the candidates to a slippery field. The usual fundamentals were given brief attention, and Coach Paxton devoted considerable time to instructing his line players and the backfield material to the duties of their various positions.

Annals of the Academy

Annapolis, September 25.—The candidates for the Naval Academy football team practiced on a wet field this afternoon, dividing into several squads for the purpose of running through signals and formations. Each of the coaches followed up the work on one of the squads and the players were driven as hard as advisable for so early in the season. The only regular of last season's team who will return, but who has not yet reported is Gilchrist, the regular quarterback. Cochran, who has generally played at half back, played quarterback this afternoon for the team, which included the bulk of the last year's first team men. Captain Rhodes was at full and Nichols and Austin at the halves.

A Tentative Line, Probably the heaviest in the history of the Academy, was made up this afternoon and work-

PRODUCT OF OLD MISSOURI WILL BE GIANTS MAINSTAY

"Jeff" Tesreau, the Pitching Sensation of Year, Reached the Top His First Year Out.

McGraw's Big 'Spitter' With No-Hit Record, May Carry New Yorkers to Victory.

BY JIM NASHUM.

Seldom is it granted a youth in any line of endeavor to perch himself at the very pinnacle of success on his maiden effort at stabling the great, throbbing world in the face. All the experts who perpetuate the wisdom of past ages in our battered old school-rooms tell us that the road to success is a tough, laborious shining match, and many of us are willing to swear till we're blue in the face that they knew what they were talking about when they pulled that stuff. These fossils of schoolbook pedagogics, however, introduced this train of thought into the young shooting idea before the introduction of the modern method of shooting an idea into the Hall of Fame with a baseball.

Even in baseball, however, the road to the top is generally considered to be a process of slow development, and it is rare indeed that it is given the young buccolic person, with the alfalfa still uncombed from his unkempt locks, to take a Brodie at the highest possible attainment of his profession his first year out of the bushes.

Apocryphal of which we now work down to brass tacks in the matter and introduce Charles "Jeff" Tesreau, freshman pitcher in the big baseball university of the class of McGraw, who in his first year on the big campus has accomplished the no-hit mark and shown such class that he now looms up as one of the Giants' big assets for the coming World's Series, the classic event of baseball. We say "looms up" advisedly, as when 235 pounds of Missouri beef on the hoof blocks the trail and the eye is lost in the surrounding scenery, it is some loom, speaking by and large.

Twenty-four years ago Charles Tesreau, or "Big Jeff," was born in Ironton, Mo., and as he grew and began to put on flesh scientists began to notice a gradual tipping over of the earth in the general direction of the Ozark Mountains. Then it was that "Big Jeff" began to shift the position of his mammoth bulk around over the map in order to keep the earth balanced. He began to pitch baseball for the Shreveport club, where he played two

seasons before the eagle eye of McGraw lapped the mountain of flesh and brought himself that it would be a good obstacle to plant out in the middle of the diamond to blot out the unsightly signs on the outfield fences at the Polo Grounds and elevated railroad structure beyond. That was in 1910, and McGraw loaned him to Toronto for two years in order to add weight to the International League.

One year ago "Jeff" was merely a big bush leaguer, though probably "big" in the most bush leaguer. To-day he stands unique in the annals of big league baseball as having reached the no-hit goal and attained the important eminence of being billed as his team's headliner for a world's series in his first year in the league. During the first few months of his tarry sojourn in the palpitating gizzard of the Giants' tent, Tesreau's chances to shine were cradled by the marvelous work of Marquard and the phenomenal winning streak of the team with the old regulars on the hill, in addition to which "Tes" showed such a marked inclination to scatter his pitches over the surrounding scenery and lose the ball in the
